

Closing Blessing

God you made us unique, each of us.
Then we live through different life experiences and tragedies.
Molding us into someone who is even more unique.
Give us the wisdom to refrain from judging others.
Give us the compassion to respond to those who need us
Give us insight when we just need to listen or give hugs or just be.
Give us warmth to share with others feeling the chill of this life.
Give us community and time with You to renew
and help us just be better people today.

Financial Information and Encouragement

We appreciate and need your ongoing financial support!
The meeting asks every member and regular attendee to consider giving, according to one's ability, as a spiritual practice. It is not the size of the donation that matters, but the heart from which it is given. You may drop your tax-deductible gift in the box located at the back corner of our meeting room.

Financial giving is a concrete way in which we ALL can share in the ministry and outreach of Friends. Thank you to all who faithfully contribute! May we continue to trust God to enable us to give with generous and open hearts! Please pledge for 2025. Forms are near the entry table.

Monthly Pledged amount: \$1990

All Are Welcome

Because we believe each person represents an image of the Divine and welcome the light that each individual brings, we open our doors to everyone. We encourage full participation by all in the life of our meeting. We recognize one another as equal travelers on the journey, seeking always to celebrate our joys and share our struggles together. May we create and tend an ethic of respect, reverence, safety, and listening. May we delight in our differences!

**Meeting for Worship
October 26, 2025
Semi-programmed Worship**

**Welcome
Time to Center Down
Reading: Manifesto: The Mad Farmer Liberation Front
by Wendell Berry**

**SONG OF PEACE (from FINLANDIA)
words by Lloyd Stone**

**This is my song, O God of all the nations
A song of peace, for lands afar and mine
This is my home, the country where my heart is
Here are my hopes, my dreams, my holy shrine
But other hearts in other lands are beating
With hopes and dreams as true and high as mine.
My country's skies are bluer than the ocean
And sunlight beams on cloverleaf and pine
But other lands have sunlight, too, and clover
And skies are everywhere as blue as mine
O hear my song, thou God of all the nations
A song of peace for their land and for mine.
May Truth and Freedom come to every nation
May Peace abound where strife has raged so long
That each may seek to love and build together
A world united righting every wrong.
A world united in its love for freedom,
Proclaiming peace together in one song.**

IMPORTANT!

FILL THE TABLE WITH FOOD

Dire months are coming up for the Food Pantry. SNAP may not be received in November. We expect that there will be a lot of “First Timers” at the pantry. At the same time, the amount of food given to us is getting harder to come by from the Food Bank, because they are experiencing a cut in funds. So please fill the white table in the entry room of the church (by the office) each Sunday if at all possible. We need some Thanksgiving items, but mostly we need meals in cans that the lid pops off, like chunky soups and cans of pasta. They also need hygiene products, laundry detergent, diapers, and large size incontinent adult disposables. We also need laundered blankets and coats.

Lean on Me
Blessing

If you just call me (call me)
If you need a friend (call me) call me.

LEAN ON ME

Sometimes in our lives we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow
Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on
Please swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
That you won't let show
You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on
Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on
You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on
If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
