

FRIENDS

A QUAKER MEETING

Financial Information and Encouragement

We appreciate and need your ongoing financial support! The meeting asks every member and regular attendee to consider giving, according to one's ability, as spiritual practice. It is not the size of the donation that matters, but the heart from which it is given. You may drop your tax-deductible gift in the box located at the back corner of our meeting room.

Financial giving is a concrete way in which we ALL can share in the ministry and outreach of Friends. Thank you to all who faithfully contribute! May we continue to trust God to enable us to give with generous and open hearts! Please pledge for 2026. Forms are near the entry table.

All Are Welcome

Because we believe each person represents an image of the Divine and we welcome the light that each individual brings, we open our doors to everyone. We encourage full participation by all in the life of our meeting. We recognize one another as equal travelers on the journey, seeking always to celebrate our joys and share our struggles together. May we create and tend an ethic of respect, reverence, safety, and listening. May we delight in our differences!

Blessing: *Love and Affection*

from *Carmina Gadelica* a Scottish book of ancient hymns and prayers, quoted in *The Book of Creation* by J Philip Newel pg. 55

The love and affection of heaven be to you,
The love and affection of the saints be to you,
The love and affection of the angels be to you,
The love and affection of the sun be to you,
The love and affection of the moon be to you,
Each day and night of your lives

What do you wonder about?

Which comes easiest to you and why?

- Standing in disbelief
- Standing in the question itself
- Standing in awe before something (pg. 46)?

How do you hold something lightly and avoid jumping to declaring it good or bad (pg. 49-50)?

How do you hold onto yes when you are first perceiving something and reserve judgment and/or analysis (pg. 49-50)?

How can you tell if there is truth to something (pg. 52-54)?

How do you perceive something without first running it through your mind (pg. 55-57)?
